Sealed proposals for furnishing the supplies herein named will be received by the State Board of Control until one o'clock p. m., June 30, 1914. The proposals shall be in writing, sealed, and marked "Proposals for furnishing supplies," and shall be addressed to the Secretary of the Board of Control, Topeka, Kan. All proposals must be accompanied by a certified check on some responsible bank, payable to the order of the Board of Control, in amount to five per cent of the sum total of such proposal, as a guaranty for the faithful performance of any contract awarded. In case no award is made to the party the check shall be at once returned to him, and the check deposited by the successful bidder shall be returned to him when a contract has been duly signed and bond approved.

At the time above mentioned said proposals will be opened, in public, at the office of the Board of Control, in the state capitol, Topeka, Kan., for tabulation.

Commencing at nine a. m. on the following days: Tuesday, June 23, dry goods and boots and shoes; Thursday, June 25, groceries; Friday, June 26, hardware, crockery, queensware, flour, meats and buttermilk. Contracts will be awarded on each article separately to the lowest responsible bidder. Bidders on dry goods, groceries, hardware, crockery, queensware, and meats and buttermilk must be present on said days, prepared to place their goods before the Board.

The Boards reserve the right to reject any or all bids, and to accept any article at price quoted without the acceptance of the entire bid, or to accept or reject any part of any goods, if deemed for the best interests of the state. Where both the commodities and the goods offered are the same, preference will be given to the resident dealers of the state. Supplies mentioned as ordered, and all other articles that are desirable, and the quality or value of which will deteriorate by keeping, are to be shipped as ordered by the institutions. All goods are to be spot delivery, except where the schedule specifies otherwise.

All supplies are for six months, beginning July 1, 1914, and must be delivered at the railway depot nearest the respective institutions, but where the goods are to be delivered to the institutions, cars must be placed at such point on the same day as the goods are to be delivered. All proposals must include delivery as herein stated, free of charges for packing, freight, switching, or any other charges whatever.

When no mention is made, when this requirement is necessary, articles such as boots, shoes, etc., must be furnished in such sizes as ordered by the executive officers of the several institutions. When no particular brand is designated, bids shall be on qualities grading from medium to best, and on samples submitted. When no specifications are as to grade or quality, the standards of the United States government are to be understood. All supplies must be new and fresh. No articles will be received that are not in accordance with the specifications. All articles will be subject to rigid inspection and bidders are cautioned that full compliance with specifications and schedule will be insisted upon. All articles that may in any respect fail to conform to the specific kinds, grades or qualities specified, or that will be rejected, and must be promptly exchanged, at the expense of the contractor, for others which are proper and acceptable; and on failure to do this the Boards may purchase in the open market, and any loss arising from such failure shall be charged to the contractor. In failing, the determination, in all cases, as to whether the articles received comply in all respects with the standard fixed by the specifications, shall be made by the Boards and the chief executive officers of the institutions for which the goods are furnished, and shall be final.

Bids must be made upon the within proposals. Disposal of every kind shall be deducted and net prices only given. The price must be given in the proper column, in conformity with the denomination or measure shown. Bids must not be enclosed in packages containing samples.
